SUPPLY DIVISION WEEKLY REPORT
PERIOD ENDING 3 MAY 1983

I. Progress Report on Tasks Assigned by the DCI/DDCI:

None

II. Item or Events of Major Interest that have Occurred During the Preceding Week:

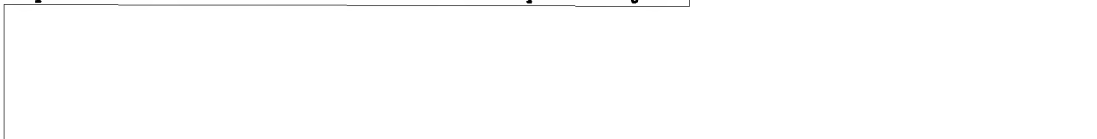

a. Replacement of Delta Data Terminals:

In an effort to help improve GIMS system access and response time, ODP has agreed to replace twelve older terminals in [redacted] with newer Model 7260 Delta Data terminals. Effective 29 April 1983, eight of these units, including seven in Supply Division and one in Procurement Division, have been replaced. Replacement of the four remaining terminals will be requested by Plans & Programs Staff, OL.

25X1

Experience to date indicates that the new terminals are less susceptible to losing data due to line hits, and contain several very helpful features such as larger memory and a limited capability for programming system queries which are used frequently. [redacted]
